

Dalla passione della coltivazione della vite e dall'amore per il vino nasce questa esclusiva linea di cosmetici dedicata a chi ogni giorno cerca il rispetto della natura ed il proprio benessere.

Backed by our passion for growing grapevines and our love of wine, we have developed this exclusive range of cosmetics targeted at all those who respect nature and value their own wellbeing each and every day.

Aus der Leidenschaft für den Weinanbau und der Liebe zum Wein ist diese exklusive Kosmetiklinie entstanden. Für alle, denen die Natur und das eigene Wohlbefinden wichtig sind – jeden Tag!

## CREMA VISO ANTI-AGE

con estratto di foglie giovani di vite da agricoltura biologica

made with leaf extracts from organic grape vines

mit Extrakt aus jungen Blättern aus biologischem Anbau

Crema nutriente e delicatamente profumata ad azione antietà globale. Grazie alle proprietà dei lipidi contenuti nella linfa vinea e agli antiossidanti del vino rosso Reboro mantiene a lungo una pelle sana e vellutata, donando elasticità e luminosità al viso. Adatta a tutti i tipi di pelle e in modo particolare a quelle mature. Applicare mattina e sera su viso e collo. Dermatologicamente testata.

Nourishing and delicately scented cream with a global anti-aging action. Through the lipids contained in the liquid obtained from pressing vine leaves and the antioxidants contained in Reboro red wine, the cream leaves the skin feeling healthy and velvety smooth, providing elasticity and radiance to the face. Suitable for all skin types, especially mature skins. Apply in the morning and evening to the face and neck. Dermatologically tested.

Nährende und zart durftende Creme mit globaler Anti-Age-Wirkung. Dank der Lipide aus dem Lebenswasser der Weinrebe und den Antioxidantien aus dem roten Reboro-Wein bleibt die Haut lange gesund und samtig weich. Sie schenkt dem Gesicht Elastizität und Glanz. Für alle Hauttypen geeignet und ideal für die reife Haut. Morgens und abends auf Gesicht und Hals auftragen. Dermatologisch getestet.
